💡 The Ideal Stepping Stone for SMBs, Startups and Scale-Ups

We know that smaller and growing companies need a guiding hand in their journey towards customer success. The problem with many existing solutions is that they require a lot of data and even more resources. Two rare assets for smaller or younger organisations. That's why Starter Pack is precisely what you need. It serves as the perfect stepping stone for SMBs, startups, and scale-up companies, enabling you to establish your customer success strategy in under three months.

Propel Your Business with Our Comprehensive Offer

Our Starter Pack is a comprehensive offer that covers the initial setup of your customer success strategy. No hidden extras, no unpleasant surprises. And support doesn't end with the implementation of the action plan. We believe in continuous improvement. Hence, we will closely monitor your progress on a weekly basis.

This is what is included in the Starter Pack:

1. Half Day Workshop

With your key players we analyse today's situation and gain valuable insights into your current customer success framework, your objectives and the blackspots. Our Customer Cross methodology is the guiding compass.

2. Key Takeaway Session

We share our findings in a hands-on plan which gets your customer success strategy up and running in no time. Together we agree on the timing and relevant KPIs to monitor and track your progress.

3. Team Motivation

Ignite inspiration and unity among your team, setting the stage for success. An informed and motivated team is an empowered. We offer a motivational keynote or a team activity, depending on the circumstances and objectives.

4. Weekly Follow-up

We learn you how to walk before we expect you to run on your own. We will stay with you for 8 weeks and have a weekly follow-up to review and adjust your plan where needed. If you want us to stay with you longer than 8 weeks, that can be arranged too.

Take Action Now and Start Growing

With our fixed price offer, you can have your customer success strategy up and running in no time. The Customer Cross Starter Packs are competitively priced with fixed prices starting at just 5,000 EUR.
